MANAGEMENT INFORMATION CIRCULAR

as at October 25, 2024

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of LQWD Technologies Corp. (“LQWD” or the “Company”) for use at the annual general meeting of its shareholders (the “Meeting”) to be held on November 25, 2024, at the time and place and for the purposes set forth in the accompanying notice of the Meeting. Except where otherwise indicated, the information contained herein is stated as at October 25, 2024.

In this Information Circular, references to “LQWD Technologies Corp.”, “LQWD”, “the Company”, “we” and “our” refer to LQWD Technologies Corp. “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name, “Registered Shareholders” means shareholders whose names appear on the records of the Company as the registered holders of Common Shares and “intermediaries” refers to brokers, investment firms, clearing houses, trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The form of proxy accompanying this Information Circular (the “**Proxy**”) is solicited by and on behalf of the management of the Company. The solicitation of Proxies will be primarily by mail, but Proxies may be solicited personally, by telephone or other means of communication and by directors, officers, and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders, and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying Proxy are officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.** The only methods by which you may appoint a person as proxy are submitting the Proxy, or other suitable form of proxy, by mail, hand delivery, fax, phone or by way of the Internet, as set out on the accompanying Proxy.

Voting by Proxyholder; Exercise of Discretion

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly.

The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;

- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

If you are a Registered Shareholder, you may wish to vote by Proxy whether or not you are able to attend the Meeting in person. If you submit a Proxy, you must complete, date and sign the Proxy and then return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at 416-263-9524, by phone at 1-866-732-8683, by way of the Internet at www.investorvote.com, or by mail or by hand at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 11:00 a.m. (PST) on November 21, 2024.

Beneficial Shareholders

The following information is of importance to many shareholders of the Company who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In the U.S., the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy or voting instruction form supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders of the Company. However, its purpose is limited to instructing the intermediaries on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in the U.S. and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the Internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on your voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy, which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

There are two (2) kinds of Beneficial Shareholders: those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners); and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners).

The Company has decided to continue to take advantage of those provisions of National Instrument 54-101, *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”) that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (the “**VIF**”) from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as fully described on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive. The Company intends to pay for intermediaries to deliver the proxy related materials and related forms with respect to the Meeting to OBOs. The Company is not sending the Meeting materials to shareholders using “notice-and-access”, as defined in NI 54-101.

NOBOs should carefully follow the instructions of Computershare, including those regarding when and where to complete the VIFs that are to be returned to Computershare. Should a NOBO wish to vote at the Meeting in person, the NOBO must insert the name of the NOBO in the space provided and attend the Meeting and vote in person.

NOBOs who wish to change their vote must contact Computershare to arrange to change their vote in sufficient time in advance of the Meeting.

These shareholder materials are being sent to both Registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf.

By choosing to send these shareholder materials to you directly, the Company (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

Beneficial Shareholders with questions respecting the voting of Common Shares held through a stockbroker or other financial intermediary should contact that stockbroker or other intermediary for assistance.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy, or other suitable form of proxy, may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date or the notice of revocation to Computershare or at the head office of the Company at 1710-1050 West Pender Street, Vancouver, BC, V6E 3S7, or
- (b) at the address of the Company's Attorney for Service in British Columbia at 2200-700 West Georgia Street, Vancouver, BC, V7Y 1K8, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (c) personally attending the Meeting and voting the Registered Shareholder's Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

CURRENCY

All currency amounts in this Information Circular are expressed in Canadian dollars, unless otherwise indicated.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set out herein, no director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors of the Company (the "**Board**") has fixed October 17, 2024, as the record date (the "**Record Date**") for the determination of persons entitled to receive notice of, and vote at, the Meeting and any adjournment thereof. Only Registered Shareholders at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy, or other suitable form of proxy, in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value. As at October 25, 2024, there were 16,220,026 Common Shares without par value issued and outstanding, each carrying the right to one vote. The Company has no other classes of voting securities.

As at the date of this Information Circular, to the knowledge of the directors and executive officers of the Company, no one shareholder beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all of the outstanding Common Shares of the Company.

QUORUM; VOTES NECESSARY TO PASS RESOLUTIONS

The Company's Articles provide that a quorum for the transaction of business at any shareholders' meeting is one (1) shareholder or proxyholder present at the shareholders' meeting. If a quorum is not present within one-half hour after the time set for the commencement of the Meeting, the Meeting will be adjourned and set over for one week to the same time and place, and thereupon whatever number of Common Shares is represented shall constitute a quorum.

A simple majority (being 50% plus one vote) of affirmative votes cast at the Meeting is required to pass an ordinary resolution of the Company, whereas a special majority (being 66 2/3%) of affirmative votes cast at the Meeting is required to pass a special resolution of the Company. If there are more nominees for election as directors or appointment as the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed.

Stock Option Plans and Other Incentive Plans

Under the Company's stock option plan (the "**Stock Option Plan**"), the directors are authorized to grant options to purchase Common Shares ("**Options**") to purchase up to 10% of the Common Shares from time to time. The purpose of the Stock Option Plan is to attract and retain directors, executive officers, employees, and consultants who will be motivated to work towards ensuring the success of the Company by affording such persons with an opportunity to acquire an equity interest in the Company through the Options.

The criteria used to determine eligibility for granting options, including the term of each option and the vesting of each option is at the discretion of the Board based upon the individual's level of responsibility, performance and comparative levels of compensation and previous grants awarded. Proposed grants of Options are submitted to the Board for approval by the Company's Compensation Committee. The Board administers and has the authority to amend the Stock Option Plan, subject to applicable shareholder and regulatory approvals. For further information regarding the terms of the Stock Option Plan, refer to the heading below "*Particulars of Matters to be Acted Upon - Approval of Stock Option Plan*".

Employment, Consulting and Management Agreements

Other than as disclosed below, the Company does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary, or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities.

On January 1, 2020, the Company entered into an executive employment agreement with Shone Anstey that provided for an annual salary of \$12,000, which increased to an annual salary of \$90,000 as of June 1, 2021, for a period of three (3) years for his services as the CEO, and on February 1, 2022, the annual salary was reduced to \$nil by mutual agreement between the Company and Mr. Anstey.

In such event, Mr. MacNeil will not be entitled to any payment on account of such termination, other than such amounts that are due in respect of the period ending on the date of termination (\$21,000). If any of the following events occur within the twelve (12) month period immediately following a change of control, then, at Mr. MacNeil's election, of which Mr. MacNeil shall have advised the Company by notice in writing within ninety (90) days of the event occurring, the agreement would be deemed to have been terminated by the Company and the Company would, immediately upon such termination, pay to Mr. MacNeil an amount equal to his base salary for six (6) months (\$21,000):

Oversight and Description of Director and Named Executive Officer Compensation

Compensation Philosophy and Objectives

The primary goal of the Company's executive compensation program is to attract and retain key executives necessary for the Company's long-term success, to encourage executives to further the development of the Company and its operations, and to motivate top quality and experienced executives.

Compensation Elements

The key elements of the executive compensation program are: (i) base salary; and (ii) Options. The directors are of the view that both elements of the program should be considered, rather than either element in isolation.

The independent directors of the Company are Ashley Garnot and Kim Evans. These directors assist in recommending to the Board the appropriate compensation for the Company's directors and senior management.

The independent directors of the Company also assist in monitoring compensation of the directors and executive officers of the Company. The Board periodically reviews the compensation paid to directors and management based on such factors as: i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and the Company's shareholders; and iv) rewarding performance, both on an individual basis and with respect to operations in general. The determination of appropriate compensation reflects the need to incentivize and compensate the directors and senior management for the time and effort expended in connection with operating and managing the affairs of the Company while taking into account the financial and other resources of the Company. The Board has not retained any compensation consultants or advisors to assist in determining compensation for any of the Company's directors or officers.

The Board has not undertaken a formal analysis of the implications of the risks associated with the Company's compensation policies and practices and the Company has not adopted a formal compensation policy.

Also, the Company has not adopted a formal policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by directors or officers; however, the Company is not aware of any directors or officers having entered into this type of transaction.

Pension Disclosure

The Company has not established any pension plans, defined contribution plans, or deferred compensation plans for directors and executive officers that provide for payments or benefits at, following or in connection with retirement.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has no compensation plans under which equity securities are authorized for issuance, except for the shareholder approved Stock Option Plan.

The following table sets out the equity compensation plan information as at February 29, 2024:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
	(a)	(b)	(c)
Equity compensation plans approved by securityholders	4,347,596	\$1.42	625,802
Equity compensation plans not approved by securityholders	Nil	Nil	Nil
Total	4,347,596	\$1.42	625,802

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, proposed nominee for election as director, executive officer or their respective associates or affiliates, other management of the Company, employees, or former executive officers, directors or employees were indebted to the Company or its subsidiaries as at the end of the most recently completed financial year or as at the date hereof or have been indebted to the Company or its subsidiaries at any time since the beginning of the most recently completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An informed person is one who, generally speaking, is a director or officer or a 10% shareholder of the Company. To the knowledge of management of the Company, no informed person of the Company or proposed director of the Company or a subsidiary of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries, other than as set out below or elsewhere in this Information Circular.

MANAGEMENT CONTRACTS

Management functions of the Company and its subsidiaries are not, to any substantial degree, performed by anyone other than the directors or executive officers of the Company.

AUDIT COMMITTEE

The Company is required to have an Audit Committee under the Act and pursuant to the provisions of National Instrument 52-110, *Audit Committees* ("**NI 52-110**"), which must be comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. Pursuant to NI 52-110, the Company is required to have a written charter, which sets out the duties and responsibilities of the Audit Committee.

Audit Committee Charter

The text of the Audit Committee's charter is attached as Appendix "A" to this Information Circular.

Composition of Audit Committee and Independence

The Audit Committee is comprised of Kim Evans (Chairman), Ashley Garnot, and Shone Anstey.

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere with the exercise of the member's independent judgment. All the members of the Audit Committee are considered "independent" within the meaning of NI 52-110.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. All the members of the Audit Committee are "financially literate" as that term is defined.

Relevant Education and Experience

Refer to the heading "*Election of Directors - Information Regarding Management's Nominees for Election to the Board*" for information regarding the Audit Committee members' education and experience that is relevant to the performance of their responsibilities as an Audit Committee member

CORPORATE GOVERNANCE DISCLOSURE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose their corporate governance practices with respect to corporate governance guidelines that they have adopted. National Policy 58-201 *Corporate Governance Guidelines* provides guidance to issuers on corporate governance practices.

The Board understands that good corporate governance improves corporate performance and benefits all shareholders. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

1. Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment and includes the holding of an executive officer position.

The Board facilitates its independent supervision over management by conducting a quarterly review of the Company’s financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

The independent members of the Board are Ashley Garnot, Alex Guidi, and Kim Evans. Shone Anstey and Giuseppe (Pino) Perone are not considered independent members of the Board because they are the Company’s CEO and Corporate Secretary, respectively. The Company considers its current Board composition to be sufficient given the current state of the Company’s business, but it continues to review the composition of the Board on an annual basis.

Given the size of the Company, the current composition of the Board and the nature of activities to date, the independent members of the Board are not expected to hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. This practice will be reassessed as the Company grows. In order to facilitate open and candid discussion among independent directors, from time to time as circumstances dictate, the independent directors can request a meeting or a portion thereof to be restricted to independent directors for the purpose of discussing matters independently of management. In addition, independent directors are encouraged to remain in communication with one another between meetings as and when they deem it appropriate.

Each member of the Board is encouraged to conduct a self-review to determine if they are providing an effective service regarding both the Company and its shareholders. Should it be deemed that a member of the Board is unable to effectively act on behalf of the Board or in the interests of the Company or its shareholders, the director would be encouraged to resign his or her position on the Board.

2. Board Mandate

The Board does not have a written mandate. The Board delineates its role and responsibilities based on the statutory and common law applicable to the Company. The Board believes its mandate is to manage the business and affairs of the Company. While day-to-day management of the Company has been delegated by the Board to executive management, the Board fulfills its responsibility for the broader stewardship of the Company’s business and affairs through its regular meetings at which members of management provide reports to the Board with respect to the Company’s business and operations, make proposals to the Board and receive the Board’s decisions for implementation. Any responsibility that has not been delegated to executive management or a Board committee remains with the full Board.

The Board believes that its approach to corporate governance is appropriate and works effectively for the Company and its shareholders and is consistent with the overall business of the Company and its stage of development.

3. Directorships

Giuseppe (Pino) Perone is currently a director of other issuers that are reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction. Specifically, Mr. Perone is a director of Kingfisher Metals Corp. and Intertidal Capital Corp.

4. Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with: (1) access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information; and (2) access to management and technical experts and consultants.

Board members are encouraged to communicate with management, auditors, and technical consultants; to keep themselves current with developments and changes in legislation with management's assistance; and to visit the Company's operations.

5. Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders and expects management and employees to conduct themselves in an ethical manner at all times. This expectation is communicated to management and employees on an informal basis with a view to promoting a culture of ethical business conduct.

6. Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

7. Compensation

See "*Compensation of Executive Officers - Compensation Elements*" above.

8. Other Board Committees

The Board has no committees other than the Audit Committee. In light of the Company's stage of development and Board composition, it considers this to be reasonable.

9. Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal assessments of the Board's effectiveness. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

PARTICULARS OF MATTERS TO BE ACTED UPON

The term of office of each of the five (5) current directors will end at the conclusion of the Meeting. The following table sets out the names of management’s five (5) nominees for election as director, their jurisdiction of residence, the offices they hold within the Company, their principal occupations, the period of time during which each has been a director of the Company, the number of Common Shares of the Company and its subsidiaries beneficially owned by each, or over which each nominee exercises control or direction, directly or indirectly, and the nominees’ membership on committees of the Board as at the date of this Information Circular. 4. Approval of Stock Option Plan

LQWD currently has in place the Stock Option Plan, which is intended to afford persons who provide services to the Company an opportunity to obtain a proprietary interest in the Company by permitting them to purchase Common Shares and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with the Company. The Stock Option Plan permits the granting of Options to directors, senior officers, Employees (as defined by the TSX-V), Management Company Employees (as defined by the TSX-V) and Consultants (as defined by the TSX-V) (collectively the “**Optionees**”) of the Company and its subsidiaries. The text of the Stock Option Plan is attached as Appendix “C” to this Information Circular.

The Stock Option Plan was last approved by the Company’s shareholders on October 25, 2023. The maximum number of Common Shares issuable on exercise of Options outstanding at any time is limited, in the aggregate, to 10% of the issued and outstanding Common Shares. As at the date of this Information Circular, the Company has 16,220,026 Common Shares issued and outstanding. This means that up to 1,622,002 Options in the aggregate may be granted under the Stock Option Plan as at the date hereof. There are 830,000 options currently outstanding and therefore the number available for grant is 792,002.

The number of Common Shares issuable pursuant to Options granted under the Stock Option Plan:

- (a) to any one Optionee, and within a one (1) year period, shall not exceed 5% of the issued and outstanding Common Shares on the grant date on a non-diluted basis;
- (b) to all insiders as a group, and within a one (1) year period, shall not exceed 10% of the issued and outstanding Common Shares on the grant date on a non-diluted basis;
- (c) to any one Consultant, and within a one (1) year period, shall not exceed 2% of the issued and outstanding Common Shares on the grant date on a non-diluted basis; and
- (d) to all Optionees who undertake Investor Relations Activities (as defined by the TSX-V), and within a one (1) year period, shall not exceed 2% of the issued and outstanding Common Shares on the grant date on a non-diluted basis.

The exercise price of any Options granted will be determined by the Board at the time of grant, provided that the exercise price shall not be less than the discounted market price of the Common Shares at the time of grant, which means that:

- (a) if the Common Shares are listed on the TSX-V, the market price shall be the closing price of the Common Shares on the TSX-V for the last market trading day prior to the date of the grant of the Options less any discount permitted by the TSX-V;
- (b) if the Common Shares are listed on an exchange other than the TSX-V, the market price shall be the closing price of the Common Shares as quoted on such exchange for the last market trading day prior to the date on which the Company announces the grant of the Options, or if the Company does not announce the grant of the Options, the last market trading day prior to the date of the grant of the Options; and
- (c) if the Common Shares are not listed on an exchange, the market price shall be the price per Common Share on the over-the-counter market determined by dividing the aggregate sale price of the Common Shares sold by the total number of such Common Shares so sold on the applicable market for the last day prior to the date of the grant of the Options.

The maximum term of Options granted shall not be more than five (5) years from the date of the grant of the Options.

The expiry date for Options shall be set by the Board at the time of the issue of the Options and shall not be more than five (5) years from the date of the grant of the Options. Options that are cancelled, terminated or expire prior to exercise of all or a portion thereof shall result in the Common Shares that were reserved for issuance thereunder being available for a subsequent grant of Options pursuant to the Stock Option Plan. If an Optionee ceases to be eligible to be an Optionee under the Stock Option Plan, their Options shall be exercisable as follows:

- (a) in the event of an Optionee's death or disability that the Board considers likely to prevent the Optionee from performing their employment or services, the Optionee's vested Options shall be exercisable at any time up to but not after the earlier of:
 - (i) 365 days after the date of death or disability; and
 - (ii) the expiry date of the Options;
- (b) in the event of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same; and
- (c) in the event of an Optionee's early retirement, voluntary resignation or termination other than for cause, the Optionee's vested Options shall be exercisable at any time up to ninety (90) days (thirty (30) days if the Optionee was engaged in Investor Relations Activities (as defined by the TSX-V)), from the date of such cessation.

Pursuant to the policies of the TSX-V, rolling share option plans must receive shareholder approval yearly at the annual general meeting. Accordingly, the shareholders will be asked at the Meeting to pass an ordinary resolution in the following terms:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The Stock Option Plan (the “**Plan**”), as described in the Management Information Circular of LQWD Technologies Corp. (the “**Company**”) dated October 25, 2024, be ratified, confirmed, and approved and the board of directors of the Company be granted the discretion pursuant to the Plan to grant stock options to directors, officers, employees, and consultants of the Company, as the board of directors of the Company sees fit. Such grants shall be made under the terms of the Plan and within the rules and policies of the TSX Venture Exchange which are in effect at the time of granting and the exercise of any options granted pursuant to such authorization is hereby approved.
2. Any one director or officer of the Company be and is hereby authorized for and on behalf of the Company to execute and deliver all such documents and instruments and take all such other actions as such director or officer may determine necessary or desirable to implement this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of such documents and instruments or the taking of such actions.”

An ordinary resolution requires the approval of a simple majority (50% plus one vote) of the votes cast by those shareholders who, being entitled to, vote in person or by proxy at a Meeting.

The Board unanimously recommends that shareholders vote FOR the resolution approving the Stock Option Plan. Unless otherwise directed, it is the intention of the persons designated in the accompanying form of proxy to vote in favour of the ordinary resolution to approve the Stock Option Plan.

OTHER MATTERS

The Board is not aware of any other matters which they anticipate will come before the Meeting as of the date of mailing of this Information Circular. If any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Proxy, subject to instructions on the face of the Proxy to the contrary.

Options shall not be assignable (or transferable) by the Optionee.

3.2 Limits on Shares Issuable on Exercise of Options

The number of Shares reserved for issuance under the Plan and all of the Company's other previously established or proposed share compensation arrangements:

- (a) in aggregate shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis; and

the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to sections 4.3 and 4.4, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be a binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque is not honoured upon presentation in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

The Directors, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Consultants performing investor relations activities, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date;

(b) Termination For Cause

If the Optionee, or in the case of a Management Company Employee or a Consultant

Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this paragraph 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "Offer") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon all Option Shares subject to such Option will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to paragraph 4.3 shall be reinstated. If any Option Shares are returned to the Company under this paragraph 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of all Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The

Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days notice is required and more than 30 days notice is not required.

4.7 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges, if necessary.

4.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.9 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "Share Reorganization") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of;
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "Special Distribution"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a "Corporate Reorganization") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of paragraphs 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution. Any Options granted under this Plan prior to such approval shall only be exercised upon the receipt of such approval. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding Taxes

The Company or any subsidiary of the Company may take such steps as are considered necessary or appropriate for the withholding and/or remittance of any taxes which the Company or any subsidiary of the Company is required by any law or regulation of any governmental authority whatsoever to withhold and/or remit in connection with any Option or Option exercise including, without limiting the generality of the foregoing, the withholding and/or remitting of all or any portion of any payment or the withholding of the issue of Shares to be issued upon the exercise of any Option until such time as the Optionee has paid to the Company or any subsidiary of the Company (in addition to the exercise price payable for the exercise of Options) the amount which the Company or subsidiary of the Company reasonably determines is required to be withheld and/or remitted with respect to such taxes.

6.5 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment

No Optionee may assign any of his or her rights under the Plan or any option granted thereunder.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.12 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of British Columbia.
